

The Friends of the Tay Watershed are pleased to **present**  
**Educational Webinar #2**

in collaboration with the Otty Lake Association (OLA) and  
the Rideau Valley Conservation Authority

**Jebbs Creek Wetland Embayment Creation  
Project.**

This project was undertaken to construct a wetland designed to create fish  
habitat and improve the food supply for aquatic and terrestrial species.

Jennifer Lamoureux, Aquatic and Fish Habitat Biologist, RVCA, along with Reid  
Kilburn of the OLA will provide the commentary on this project.

Join us on **Thursday, March 10, 2022 at 2:30** for this informative educational  
session by clicking on this ZOOM link.
