

Dear Friends of the Tay Watershed,

You have been asking, and we have exciting news! The Lake Protection Workbook was updated and a second printing has happened! Now is the time for you to order your copies for your family and waterfront or cottage association.

Lake Protection Workbook

A Self-Assessment Tool for Shoreline Property Owners

The “Lake Protection Workbook: A Self-Assessment Tool for Shoreline Property Owners” is an educational tool that helps property owners make improvements to their shorelines, and provides information about lake protection. It includes a series of questions that will help you assess how well you are protecting your property and your lakefront through everyday actions. The Workbook also provides practical information, recommendations, and space for recording improvements to assist you in your lake protection efforts.

This Workbook was produced by the Lake Links Planning Committee with collaboration and review from many organizations including: Cataraqui Conservation, Friends of the Tay Watershed Association, Lake Networking Group, Lanark County Stewardship Council, Mississippi Valley Conservation Authority, Ontario Ministry of Natural Resources and Forestry, Rideau Valley Conservation Authority and Watersheds Canada.

While you can always [download an online copy for free](#), you can also now order a physical copy for \$2.00+shipping by emailing Monica at info@watersheds.ca. Payment can be sent by e-transfer or by cheque, and will be arranged by email. **Copies are now ready to ship!** If you have any questions, please email Monica at info@watersheds.ca

Already using your Lake Protection Workbook? Make a positive change in your community and **be entered in a draw for a \$100 gift card to your local native plant nursery!** Take a photo of you using the Lake Protection Workbook and taking local action and post it on social media using #LakeBookChallenge. You can also email a photo and caption to info@watersheds.ca. This contest ends September 30, 2022 and is open to Canadian residents.

Best wishes,

Cataraqui Conservation, Friends of the Tay Watershed Association,
Lake Networking Group, Lanark County Stewardship Council, Mississippi Valley
Conservation Authority, Rideau Valley Conservation Authority and Watersheds Canada
