

The Friends of the Tay Watershed wish to promote this initiative by REAL

**Journey to Sustainability Presents:**

**PAN-CANADIAN FRAMEWORK ON CLEAN GROWTH  
AND  
CLIMATE CHANGE & HEAT PUMP INITIATIVE**

Presentation by Dana Farcasiu, B.Eng., C.E.T.,

Dana is well versed in government plans and targets related to climate change. She will share her insight into what is happening today for a better tomorrow.

The international community has agreed that tackling climate change is an urgent priority and has set targets for 2030;

Review with Dana how Canada is addressing the framework of change.

**Join us Thursday, February 9, 2023 at 7 p.m.**
