

11th Annual Lake Links

Climate Change – How to Build Resiliency in our Lakes

Saturday October 20, 2012

Perth Civitan Hall

Join us for:

- Focused discussions on how climate change will affect your lake
- What you can do to build resiliency in your lake through adaptation strategies
- Expert Speakers including:
 - Gary Nielsen, Climate Change Project Coordinator, Ministry of Natural Resources – *Provincial Climate Change Strategy*
 - Paul Lehman, General Manager, Mississippi Valley Conservation – *Lake Water Levels*
 - Dr. Robert McLeman, Wilfred Laurier University – *Climate Change Risk and Adaptation Strategies for local communities*
 - Dr. John Casselman, Adjunct Professor, Department of Biology, Queen's University - *Fisheries*
 - Jackie Oblak, Environment Management Consultant, – *Building Resiliency in our Lakes- Taking Action*
- Panel Q & A sessions, informative displays and networking opportunities

We hope to see you there!

Admission \$12 & a non-perishable food item for the Perth Food Bank
