

Save the Date!!

A scenic view of a rocky shoreline. In the foreground, there are large, dark, rounded rocks partially submerged in calm water. The water reflects the sky and the rocks. In the middle ground, there are more rocks and some tall grasses. In the background, a white tent is pitched on a sandy beach. The sky is clear and blue.

9th Annual Lake Links Workshop

Details below...

~ Celebrating Our Advances ~

Bringing **Lake Links** back to its roots, the focus of this year's workshop is on networking and information sharing. Our goal is to provide you with the chance to learn more about each other— your projects, successes and challenges— and to celebrate **you** and your efforts in protecting our lakes and rivers!

Get Involved!

New this year, is the opportunity to participate in a survey that will allow us to better direct and shape the discussion at **Lake Links 2010**. Please visit <http://www.surveymonkey.com/s/lakelinks> before Friday, October 15th to make your voice heard!
